EPA registered products 6836-138, 6836-138-1677, and 1677-233

Dear EPA:

I make this request under FOIA and FIFRA. Please produce copies of the following documents, preferably in electronic format:

- (1) The administrative record for product registration for EPA product number 6836-138-1677 also known as Ecolab Sanisave or No Rinse Food Contact Cleaner Sanitizer, and 6836-138 also known as Lonza Formulation S-38-F;
- (2) The administrative record for EPA product registration 1677-233 also known as Ecolab Multi Purpose Disinfectant Cleaner;
- (3) Warning label files for those products, including for secondary container labels;
- (4) Reports of skin or eye issues from human exposure to those products. If it is easier for the agency to produce all reports of human exposure, then please produce all reports of human exposure.

This request does not encompass any information that may be entitled to confidential treatment, or that otherwise may be exempt from disclosure under FOIA.

Please contact me if you have questions or need more information about this request.

Very truly yours,
